

MI TEAM

mis equipos

- When the 'My Team' button is pressed and held for 0.2 sec. a menu with the available memberships and their shields is displayed. In addition, a + button is included to acquire new memberships.

- The banner contains an automatic slide show with the news of the selected team or Mess_Ice's exclusive promotions.
- The central navigation bar allows you to filter the content by category.
- Each window functions as a block of information. The windows can be single, double or quadruple.

mi equipo - menu detalle 1

- The detail menu shows the sections of the 'My Team' section, some of which also contain submenus. The padlock indicates that this functionality is locked for that membership and can be purchased individually.

- The unlock context menu allows you to unlock a function individually (on a weekly way) or to purchase a higher membership.

mi equipo - menu detalle - compra

- The purchase is made natively on iOS or with the selected payment method.

- This tab lists proposals that do not belong to one of the three insignia routes. The top star is a button that allows you to follow the proposal from MY PALCO. The 'Save' button in the bottom navigation bar lists all proposals that have been marked with the star.

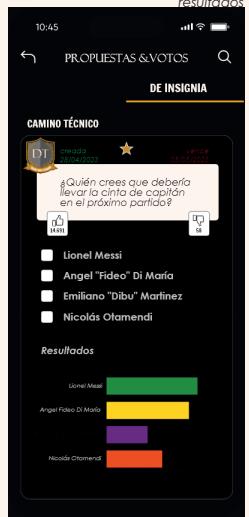

MI TEAM

Propuestas & Votos – insignia

1. This tab lists the proposals that belong to one of the three insignia routes. For each proposal, the shield of the corresponding insignia is presented. The user will only be able to see the proposals that belong to his insignia route, to his insignia level and to the lowest level of insignia he owns.

Propuestas & Votos – insignia - resultados

Vivencias Mess_Ice

1. This section will list the experiences available to qualified users.

1. On this screen you will be able to vote on the proposal and follow the results in real time. It will also indicate how long the proposal will be valid and the number of votes needed for it to become a reality.

Vivencias Mess_Ice – entrenamiento

1. The detail of each experience will indicate the requirements for the subscription. If the requirements are not completed, the subscription button will be RED and will show a contextual message indicating the impossibility of subscription.

Vivencias Mess_Ice – vestuario

1. If the requirements are fulfilled, the subscription button will be BLUE and will allow the subscription of the experience and register it as an event to be notified to the user.

1. The multimedia section has a bottom navigation bar that lists three categories: PHOTOS - VIDEOS - SAVED. Photos can be downloaded to the device.

Multimedia – Fotos

MI TEAM

Multimedia - Archivo Abierto

- Once the image or video has been opened, it can be downloaded or marked as saved.

Multimedia - Guardados no descargados

- The saved list is stored on the Mess_Ice server and lists the content of photos and videos bookmarked by the user.

Institucional - Autoridades

- This section consists of three tabs, listing the team's authorities, its history and the official website for easy access.

Fechas FIFA - Fixture

- This tab shows the team's fixture. Centered on the current date, you can scroll through past and future dates.

Fechas FIFA – Tabla

- The 'Table' tab shows the team's standings in the selected tournament.

- This section presents the tournaments in which the team participates and their statistics provided by the API or the team as appropriate.

TORNEO - mundial

MI TEAM

Jugadores

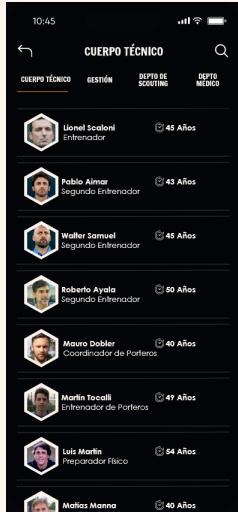

1. Here the players of the first team are listed and their value and age are indicated.
2. By touching each item you can access detailed information.

Jugador Detallado Masculino

1. This screen shows the details of each player.
2. In the image of the playing field you can see his playing position.
3. There is a central navigation bar with tabs for accessing information.

Cuerpo Técnico - Masculino

1. The team's coaching staff information is listed here.
2. An upper navigation bar lists the available coaching staff categories. These categories are entered and updated by the moderator.

Juveniles - info

1. This screen shows all available information about the team's youth players. These can be from U-23 to U-15.
2. In the top navigation bar the categories are listed with the team's statistics. These will be given by API or team as appropriate.

Senior

1. This screen shows the structure of the menu OTHER SELECTIONS / OTHER SQUADS. The navigation bar lists the possible categories. The information is provided by API or team as appropriate.

Leyendas - históricas

1. Here is a list of the team's outstanding personalities.
2. There are two categories: 'Historical' which refers to those personalities who have passed away. 'Current' refers to personalities who are still alive.

Leyendas - perfil - bio

MI TEAM

1. The profile of a legend personality can be followed for news or news of related interest.
2. In addition, a navigation bar with three categories is included: 'Biography', 'Teams', 'Statistics'.

1. Here you can manage the purchase of tickets, either natively or through an external platform.

Entradas

Entradas - externa - 1

1. The external way of acquiring tickets will be through access to the corresponding platform (depending on the agreement reached).

1. The native form allows you to manage the purchase of tickets directly from the app.

Entradas - nativa - 1

Entradas - nativa - anuncio

1. Once the purchase has been made, a pop-up window appears confirming the purchase.
2. A button to continue and another one to go to the store.
